## SECTION SF 30 BLOCK 14 CONTINUATION PAGE

## 7. ACCOMMODATIONS AND MEALS FOR INSPECTORS

a. General. The Contractor shall furnish to the Government Inspectors on board the dredge or other craft upon which they are employed, suitable rooms for an office and separate sleeping quarters. The facilities shall be fully equipped and maintained to the satisfaction of the Government Inspectors aboard the dredge. These facilities shall be lighted, heated, ventilated, and air conditioned to the satisfaction of the Inspectors. Power surge protectors shall be available for the protection of any of the Inspector's equipment he/she deems necessary to protect from electrical outlet power surges. The entire cost to the Contractor for furnishing, equipping, and maintaining the accommodations shall be included in the contract price for "Dredging". If the Contractor fails to meet the requirements of this paragraph, the facilities will be secured by the Inspector, and the cost will be deducted from payments due the Contractor.

b. Quarters. The quarters shall consist of a bathroom with full sanitary facilities (toilet, sink, tub or shower, and hot and cold potable water); and a bedroom, with one bed and chair for each inspector.

c. Office. The office shall be a separate room from the quarters, and shall be equipped with the following items, which must be supplied in a fully functional condition:

(1) A desk with locking drawers and two sets of matching keys;

(2) A swivel desk chair with a contoured seat, two arms, and adjustable height and back rest, all of which shall have fully cushioned and upholstered surfaces;

(3) A two-or-more drawer legal-sized file cabinet;

(4) A 3 by 5-ft drafting table, with a drafting table fluorescent light that is mechanically adjustable. This equipment shall include appropriate drafting instruments, as requested by the Inspector.

(5) A legal/letter-sized capable copy machine – The Contractor may allow the use of his own in lieu of providing a separate one for the inspector;

(6) A fully setup and operational personal computer (PC) workstation (IBM-compatible) as follows: one Pentium CPU 500 MHz, 13 GB hard drive memory, 128 MB EDO RAM), having one 3-1/2 in. internal disk drive and an internal CD-ROM drive; 1 MB video card; internal fax/modem (56k U.S. Robotics or equal) linked via telephone line interface (TLI) module to an operating cellular telephone having an RJ11 jack; one 17 in. (diag.) 0.26 mm pixel Super VGA color monitor; one two-button mouse and pad; one black and white laser printer capable of printing on 8-1/2 X 11 in., and 8-1/2 X 14 in. paper, 8 pages/min. speed, 600X600 dpi printer resolution (HP 5L or equal); one power surge protector/command switch unit that protects all specified system equipment; and all necessary accompanying power chords, wires, etc., to complete the system operationally. The PC system shall be mounted on a suitable monolithic modular piece of furniture designed for work stations, which shall be set up to properly contain and support all required system equipment. The PC shall be pre-loaded with MS-DOS V6.22, Windows-98, and anti-virus software. The PC shall also be pre-loaded with the following Windows-98 supported software and setup to print from these programs to the printer: MS Office 97; a Government-approved dredge quantity computation program, Rowe Engineers Survey Package or equal relative to full performance of survey quantity computations as required herein, compatible with the dredging survey data provided by the Contractor to the Government; PC Anywhere V9.2 communications software, which will be used by Government Inspectors only to interface with the district Local Area Network (LAN) via modem. The user's

manuals for all specified software shall be provided as part of the work station. The PC work station shall be for the exclusive use of the Government Inspector aboard the dredge. The Contractor shall provide system maintenance within 24 hrs after request to remedy detected problems to the existing system or replace existing dysfunctional unit or any part thereof with equal replacement unit and return PC work station to full operation within 48 hrs after service call. All components of the work station specified herein shall remain the property of the Contractor upon contract completion. Point of contact for these PC-related requirements is Fred Lachney/IM-I TEL (504) 862-2686.

d. Meals. If the Contractor maintains an establishment at the worksite for the subsistence of his own employees, then he shall furnish to inspectors, and Government agents who may visit the work on official business, meals of a quality satisfactory to the Contracting Officer. All meals shall be available for purchase by the Government's agents and inspectors at the cost of \$1.50 per person per meal.
